

Invest in Tomorrow

Current Projects and Funding Goals

12.04.16

Giving at Grace: Please see the Giving at Grace brochure for more information about GCC finances and *Invest in Tomorrow* giving options.

ALL funds given to *Invest in Tomorrow* go 50% to GCC debt reduction, and 50% to the designated project. Funds given to *Invest in Tomorrow* that do not designate a specific project, or that exceed a project's funding needs, will go to another project on this list.

Timing for projects is dependent on giving progress.

To designate gifts to a current project, simply write the project name on the *Invest in Tomorrow* (white) giving envelope.

CURRENT PROJECTS

Debt: Give directly to GCC debt reduction

All *Invest in Tomorrow* gifts go 50% to the selected project, and 50% to debt reduction. If you select Debt as your project, 100% of your gift will go to debt reduction.

West Entrance Renovation

The current entrance is in disrepair and unidentifiable as the main entrance. This will enhance the look of our building and allow people to easily recognize our main entry.

\$15K + 15K = \$30K

Sound & Speakers in Worship Center

Replace main speakers, subwoofers, and amps in the Worship Center.

\$40K + \$40K debt = \$80K

Campus Renovation: Rolling list

Priority projects include:

- Bathroom Floors
- Paint, lighting, trim, furniture, flooring
- Upgraded signage and ministry stations
- Strategic video monitors
- Architectural or other professional services that span multiple projects

\$50K + \$50K debt = \$100K

Students: Implement Chapel Upgrades

Implement upgrades to better use that area for students and Student Ministries.

Funding Target: \$7K + \$7K debt = \$14K
