

Job Description

Grace Community Church | Media Department

Job Title: Media Intern - Video Production

Reports to: Media & IT Director

Type: Part-Time 16-24 hours/week, 6 months (extendable to 18 months)

Schedule: Varies, mixed office hours, weekend/evenings

Compensation: Housing for first 6 months, stipend if extended

Our Church Mission: Abide and Respond

Helping people experience the grace of Jesus in daily life by learning to abide and respond at all times and in all places, so that we can glorify God and enjoy Him forever.

Overview

The Media Intern - Video Production is geared towards Film and Video Production majors (current college students) who are looking for practical experience with hands-on video production. An intern will learn about live, pre-production, broadcast and post-production projects while expanding his/her skills in Adobe Creative Cloud and interacting in a fast-paced dynamic production environment with volunteers.

Primary Purpose of Position

- To create Live and Post-production video and media content to support our ongoing ministry and program needs

Key responsibilities

Pre-production, assist with

- Participation in Project Planning by attending Creative and Planning Meetings
- Location Scouting
- Storyboarding
- Video Equipment preparation & up-keep

Video Production

- Videography / Video Shooting with Canon XF and/or other cameras (Smartphone, GoPro etc.)
- Location Lighting and Audio
- Locations filming both on-site and through-out the local and regional area

Post-production

- Editing in Adobe Premiere
- Capturing and Processing Video (transcoding, compression and metadata management)
- Color and Audio (Adobe Audition) Correcting
- Motion Graphics in Adobe After Effects

Project and Personal Development

- Participate in on going personal development program
- Assist with training Ministry Staff and Volunteers in related areas
- Other Duties as assigned

Skills and experience

Required

- Collage level course work in Video Production or related area
- High School Graduate or equivalent

Preferred

- 2 years in Video Production, Cinema, Media Technology or related program
- Experience with Video Production and Non-linear video editing (Final Cut Studio, Adobe Premiere, etc.)
- Experience with Adobe Creative Cloud Production: Premiere, Audition, After Effects, Photoshop, Illustrator, Lightroom, etc.)
- Experience with Professional Camcorders and DLSR Cameras
